# Stationery

Your local stationery store is right here at Bridson & Horrox, delivering direct to your door. Our guaranteed next-day delivery service is unparalleled for Isle of Man customers. Our extensive range of office solutions offers exceptional value for money so contact our friendly customer sales staff who will be more than willing to assist you with any stationery requests. **Telephone 663311.**

# Furniture

The average person spends 160 hours a month at work, and to keep motivation high, it helps to create a beautiful and ergonomic work environment. That's why we offer an exclusive range of exquisite office furnishings. In addition, our personal planning and free quotation services means we can perfectly meet the needs of each customer no matter what line of business they are in. **Telephone 663311.**

# Design

For innovative, creative solutions look no further than EDL Design – our lateral thinking design team. They specialise in design and print management. Mixing cutting edge knowledge of the latest methods, trends and styles with an understanding of what works for differing industries and sectors; EDL can transform your visions into reality. **Telephone 628292.**
